

2013 ANNUAL CONFERENCE

**IT'S MORE
THAN JUST GREAT CE...**

PROGRAM GUIDE

Matching Your Passion For Learning

Thank you for attending the **2013 TVMA ANNUAL CONFERENCE**. This program will provide you with a complete listing of lectures and social events for this meeting.

You will receive one credit for every hour you attend a lecture or any social event that features a scientific speaker. It is your responsibility to track your attendance. You must follow these three steps to ensure that you receive continuing education credits for your attendance at the **Annual Conference**.

- CHECK IN:** If you are a pre-registrant, you must check in at the TVMA Registration Desk, pick up your registration packet and get your badge scanned.
- TRACK YOUR ATTENDANCE:** At the TVMA Registration Desk, pick up the official CE checklist. This document lists the individual classes offered at the conference, the dates of the classes and the CE hour value for each class. Place a check mark in the box next to each class you attend. When completed, sign the bottom of the form and keep it in your files.
- PICK UP A CERTIFICATE OF COMPLETION:** At the end of the conference, you must return to the TVMA Registration Desk and obtain a certificate of completion. You will write your name on the certificate, sign and date it and then place it in your files. Certificates will not be available until the end of the conference. If you do not plan to attend the entire conference, you can pick up your certificate at the end of the day you plan to leave.
