* Either an RSVP or a prepaid ticket is required for these events. Download the CrowdCompass AttendeeHub App to your smart phone. Search for the "TVMA Annual Conference" on the app. Once you select our conference, you will have access to the latest and most accurate conference information.

Thank you for attending the **2018 TVMA ANNUAL CONFERENCE & EXPO**. This program will provide you with a complete listing of lectures and social events for this meeting. You will receive one credit for every hour you attend a lecture or any social event that features a scientific speaker. It is your responsibility to track your attendance. You must follow these three steps to ensure that you receive continuing education credits for your attendance at the Annual Conference.

- 1 CHECK IN:** If you are a pre-registrant, you must check in at the TVMA Registration Desk, pick up your registration packet and get your badge scanned.
- 2 TRACK YOUR ATTENDANCE:** At the TVMA Registration Desk, pick up the official CE checklist. This document lists the individual classes offered at the conference, the dates of the classes and the CE hour value for each class. Place a checkmark in the box next to each class you attend. When completed, sign the bottom of the form and keep it in your files.
- 3 PICK UP A CERTIFICATE OF COMPLETION:** At the end of the conference -or- whenever you are about to leave the conference, you must return to the TVMA Registration Desk and obtain a certificate of completion. Write your name on the certificate, sign and date it then place it in your files upon your returning home.

PARKING

Public parking is available across from the Marriott Waterway Hotel on the west side. The Woodlands Marathon will be taking place on Saturday, March 3 from 7 am to 3 pm. The marathon is primarily taking place west of the hotel. This event will mean more people and cars will be in the area surrounding the hotel. Please note the Marriott Waterway is offering TVMA conference attendees and exhibitors a \$10 parking voucher good for parking all day in their East Garage. The East Garage is across the street from the front entrance of the hotel. If you choose to park there, you must come by the TVMA Registration Desk to get the \$10 voucher prior to leaving the garage. The attendant will require the voucher when you depart.

DISCLAIMER: If you choose to park in permitted parking during the course of the annual conference, TVMA will not be responsible for ticket or towing.
